

### **Game Rescheduling (GENERAL GUIDELINES)**

The only rescheduling of games will be for rainouts or if a team is unable to field a team due to a legitimate school function. The Divisional Representative and President must approve such rescheduling. Games will be rescheduled provided the following procedures are followed:

- The manager must notify the Divisional Representative at least two days prior to game day. Any team making false statements regarding ability to field a team will be subject to automatic forfeit.
- Any games rescheduled due to weather (rainouts) or other causes will be rescheduled on the next open day including Sundays as determined by the Division Representative and President. If either team fails to appear, it may be grounds for forfeit; shall be referred to the BOD for a decision as per the Official Regulations and Playing Rules, 4.16.
- The BOD Member on Duty will determine with input from team managers whether the fields are playable as a result of weather conditions. Once a game is begun, the umpire makes all judgments regarding halting play due to weather conditions. If a game is halted, it is resumed from the point at which it is stopped. The rescheduling of any halted or suspended game shall be at the sole discretion of the BOD.
- Rookie and T-Ball games may be rescheduled as long as both managers agree. Contact the Division Representative for rescheduling of these games.
